

The History & Preservation Coalition of Sarasota County announces nominations are open for the 2019 Sarasota County Heritage Awards. The Coalition wishes to recognize individuals and organizations that have made outstanding contributions to the preservation and understanding of Sarasota County's prehistorical

and historical resources. Besides honoring those who have devoted themselves to maintaining the integrity of our remaining architectural, archeological, and historical assets and educating the public to their importance, the Heritage Awards aim to raise the level of public support for governmental and citizen-based efforts to preserve our common past so future generations may learn from it.

All nomination materials must be submitted by email or regular mail by January 15, 2019. Award recipients will be notified on or after February 15, 2019. Awardees will be announced publicly in March, and the Awards Ceremony Luncheon will be held on Saturday, April 27 at Venice Golf and Country Club.

Contributions should focus on Sarasota County history and can be in the form of a research paper, exhibit, website, or documentary. Nominations are open to juniors and seniors in high school and freshmen and sophomore college students.

The Heritage Awards Committee intends to uphold high standards so that these awards will be meaningful. The Committee reserves the right not to make an award in a particular category if it feels that none of the nominations have made a compelling case. Individual self-nominations are not accepted. Heritage Awards Committee members cannot be nominated for an award, and if a Committee member nominates someone or is on the board of an organization that submits a nomination, that Committee member cannot vote for that nominee. All decisions are final. It is the Coalition's hope that all historical, preservation, and archaeological groups in Sarasota County will enthusiastically support this effort to honor our own and raise public awareness of the work we do.
